THE BOTTOM LINE

Money in $ _____ − Bills $ _____ − Spending $ _____ = **What's left $ _____**

Send what's left somewhere on purpose: ☐ Savings ☐ Extra debt payment ☐ Next week's cushion ☐ _____

> A negative week is not a failure — it's information. Circle the one line that surprised you; next week's snapshot gets easier. The full planners in the shop (page 1) take this idea monthly, with debt, savings and meals built in.
